SEWING & EMBROIDERY

A Dream Realised With Our Largest Workspace Ever

Built-in stitches, embroidery designs and fonts

- 561 sewing stitches (531 built-in, 30 on CD), 318 built-in embroidery designs, including 91 designs featuring Disney characters, 14 embroidery fonts, 3 Japanese embroidery fonts, 14 styles of one-step auto-size buttonholes and 140 frame pattern combinations.

Our largest workspace ever

- Enjoy a 5" x 11.25" workspace that provides plenty of space for large projects.

Large 3.6" x 6.0" LCD touch screen display

- See up to 260,000 colors with little or no color shifting. View on-screen tutorials, and control the machine with the large intuitive on-screen icons.

10-inch LED lighting

- No more task lights needed. Now 50% brighter than in previous Brother machines!

V-Sonic™ Pen Pal for sewing

- Touch the fabric with the sensor pen for needle placement, setting stitch width and setting the end point – simply touch and sew.

MuVit™ Digital Dual Feed

- Use the direct motor-driven foot to powerfully feed fabric from the top and bottom, giving you greater control.

Droplight™ Embroidery Positioning Marker

- The LED pointer shows the needle drop position with pinpoint accuracy – critical for embroidery.

Sew Straight™ Laser Vision Guide

- It's never been easier to sew straight lines. A huge benefit when quilting, piecing, pintucking and aligning rows of stitches.

Built-in dual USB ports

- Connect to your computer to import and export designs or perform machine updates. Use the second port to import and export designs from your USB memory stick.

Overview

DreamWeaver™ XE is the exciting new mid-priced combination quilting, sewing and embroidery machine, which is downright dreamy – revolutionary technology, reliability, and ease of operation make this the perfect addition to create projects you've always dreamed of, all while adding a touch of sophistication to your sewing room. This exciting combination machine is packed with Brother-exclusive and industry-first features. A new chassis

gives 5.0" x 11.25" of workspace – our biggest work area ever. Featuring 10" LED lighting for brilliant, full spectrum lighting. With 1,050 stitches per minute, you will be creating more works of art in less time. Become a master by watching on-screen tutorials with the large LCD touch screen display which offers vivid, crystal-clear lucidity. If all the industry-first features weren't enough to make your dreams come true, this machine also has

many exciting features that customers have come to love like the Automatic Height Adjust™ AHA® feature and automatic needle threading. Plus, this machine is iBroder™ ready so you have access to thousands of embroidery designs available for purchase. Tackle bigger, bolder projects than you may have dreamed of with DreamWeaver™ XE!
