Needle up/down button	Yes	Yes
Stitch elongation	Yes	Yes
Screen type	LCD with backlight	LCD with backlight
Machine cover	Hard cover	Hard cover
Carry handle	Short folding	Short folding
Extra wide table	Optional	Optional

### Easy Set Bobbin

No need to bring the bobbin thread up through the needle plate to start sewing. Simply place bobbin in bobbin case, run thread through the tension spring, left around the easy thread bobbin slot and trim off the thread tail on the built-in cutter. Thread the top thread and you are ready to sew.

### Opening Face Plate

Easy access to the top thread path makes fixing threading issues or cleaning fluff build up from fabrics and thread a breeze.

### Stitch Chart

With a built-in stitch chart, sewing has never been easier. Located on the right end of the machine, the chart slides in and out, so it's out of the way when you don't need it.
