The TM16 is a simple and straightforward mechanical sewing machine, that's great for basic sewing at home or on the go. It includes every feature you need for day-to-day stitching, a drop feed, an extra high presser foot lift, 16 built-in stitches & buttonhole, plus its stitch range includes specialty stitches for sewing stretch fabrics. Easy to use.

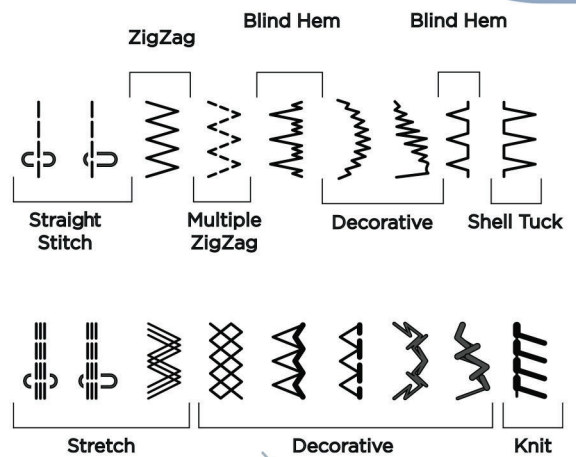

### Drop-in Bobbin

Drop-in bobbin with threading guides allows for simple, jam-free threading. Clear cover shows remaining bobbin thread.

### Stitch Selection & Adjustment Dials

Select and adjust your stitches quickly and effortlessly, using the adjustment dials. With its beginner friendly and easy to carry design, this machine includes every feature you would need for basic sewing or sewing on-the-go.

### Bonus Foot Included

1/4"  
SEAM FOOT

### 16 Built-in Stitches

Create endless designs using any of the 16 built-in stitches. Mechanical sewing at its finest.
