creative sensation™ pro

spacious. bright. precise.

That is what the PFAFF® brand stands for. Discover a new freedom when sewing, the brilliance and clarity of the most modern technology, and more perfect results than ever before.

Ask your authorized PFAFF® dealer for a personal demonstration. An experience you will never forget.

Full control: Special sensors measure the thickness of the fabric under the presser foot. The thread metering system automatically regulates the amount of thread used. The needle thread and bobbin thread are optimally looped together. Use very thin or very thick threads, metallics or novelty threads – even all in one

embroidery design! The results are impressive. **ActivStitch™ TECHNOLOGY** delivers perfect embroidery on a wide variety of fabrics, with different types of thread.

Go to www.pfaff.com and see how this triumph of technology works!

Reversible embroideries, beautiful on both sides! No matter how you look at it – superior stitch quality on both the front and the back.

On the cover: Pure elegance! Turn a simple dress into a real designer piece with a combination of exclusive PFAFF® Ribbon Stitches and breathtaking cutwork embroidery. All included with the purchase of the PFAFF® creative sensation™ pro sewing and embroidery machine.

pure quilting

Design your own quilt label!

Choose one of the 4 built-in embroidery fonts, 6 sewing fonts or 2 monogram fonts or create embroidery fonts from any **TrueType®** font with the PFAFF® QuickFont Program. Combine your name with Mini Designs, play with tapering effects on 9mm stitches and add that certain something to your personal creation.

Quilting has never been so inspiring and fascinating. The PFAFF® creative sensation™ pro is the ultimate sewing and embroidery machine for true quilters.

The perfect choice for quilters.

Spacious

The sewing area to the right of the needle is supersized for sewing large amounts of fabric or batting.

Optimized Feeding provides more control when sewing through thick layers or seaming small pieces. Sew your seam and the PFAFF® creative sensation™ pro sewing and embroidery machine will remember the seam length to repeat over and over, thanks to the **Patchwork Program**. **High Presser Foot Clearance** – Easily place thick fabric or multiple layers under the presser foot. **Free-motion Sewing** – Choose one of the three Free-motion Modes and the machine will automatically be set. **Extension Table (optional)** – Substantially increases your work area to accommodate the extra space quilters

need. Even very large quilting projects can be handled comfortably. **Automatic Presser Foot Lift** – Raises the presser foot instantly when the needle is set to stop down and/or at the end of a seam after a thread snip. You can also use the **Electronic Knee-Lift** to raise the presser foot while your hands are busy guiding the fabric. **Straight Stitch Needle Plate with Sensor** – Machine is automatically set to straight stitch mode when the plate is attached, preventing needle breakage.

pure control

Everything stays in place when working with fine fabrics or multiple layers.
Stripes and plaids match exactly.

Original **IDT™** System – Integrated Dual Feed from PFAFF® is the ultimate in piecing perfection. Perfect seams on all fabrics.

The Original – only from PFAFF®. For over 40 years.

IDT™
Perfect fabric feed.

Absolutely even fabric feed from both the top and the bottom.

The time-tested PFAFF® Original **IDT™** System and a highly developed sensor technology guarantee the optimal feed you expect on all kinds of fabrics.

Everything stays in place. Lightweight and silky fabrics don't pucker; stripes and plaids match perfectly; curved seams are easy, with very little pinning required. The Original **IDT™** System is exceptional for grasping and feeding small fabric pieces, with maximum precision and professional results. Your PFAFF® creative sensation™ pro sewing and embroidery machine effortlessly moves from a single layer to multiple layers and even sews over bulky seams with no hesitation.

Quilt blocks and piecing will match perfectly in every quilt project.
